## CUSTOMER ADVISE

Dear Customer,

D-Flector Stone Guards® Genuine Accessories are designed specifically for prescribed applications, manufactured to the most stringent guidelines and are fully compliant to all legal and regulatory requirements in Australia.

This product guide includes current range of all genuine accessories manufactured by D-Flector Stone Guards® and is valid from the date of issue to such date until a product guide is issued.

Maxwell & Higgs is continuously engaged in designing, developing and manufacturing new products to add to our current range. In an event where a specific application or a particular accessory is not listed in this booklet, please feel to enquire with us at [sales@d-flector.com.au](mailto:sales@d-flector.com.au), in all likelihood we might already have that accessory in our product development phase and our team should be able to advise the products indicative availability dates.

(E & OE) Errors and Omissions Excepted. Whilst every effort is made to ensure that the information provided in this booklet is true and error free, Maxwell & Higgs reserves the right to amend printing errors or incorrect information. In an event where inaccurate information results into serious consequences for our customer, Maxwell & Higgs promises to be fair and reasonable in providing any required assistance.

D-Flector Stone Guards® Genuine Accessories are designed for vehicles/trailers with universal build and specifications. Vehicle/trailer manufacturers may change or upgrade builds, resulting in accessory compatibility issues. Maxwell & Higgs advises to refer to technical information provided in this booklet to ensure the product is compatible with recommended fitment. You can always contact our product support team [sales@d-flector.com.au](mailto:sales@d-flector.com.au) for more specific and up to date information.

Thanks

D-Flector Stone Guards® Team
